## PROFILE SUMMARY

Skilled ServiceNow Consultant with around 3 years of hands-on experience in ServiceNow development and administration, specializing in **IT Service Management (ITSM)**, **Governance, Risk, and Compliance (GRC)**, and **Human Resources Service Delivery (HRSD)**. Proficient in a wide range of ServiceNow functionalities such as **UI policies, UI Actions, Server side Scripting, Client-Side Scripting, Reports, Notifications, and Flow Designer**. Proven track record in requirement gathering, showcasing enthusiasm, eloquence, and goal-oriented mindset. Seeking to leverage technical expertise to drive innovation, streamline operations, and maximize efficiency in ServiceNow implementations.

## PROFESSIONAL EXPERIENCE

### Associate Consultant -2 | EY GDS

ServiceNow Developer/ Administrator | Mining Company

Mar 2024 - Current

- **Developed and implemented HRSD Developments** with zero issues.
- Led the **upgrade from Vancouver to Xanadu in HRSD**, ensuring a seamless transition with minimal impact.
- Developed **Service Catalog components**, including **catalog items, record producers**, and fulfillment processes.
- Provided **technical support** to team members, **troubleshooting and resolving issues** efficiently.
- Worked on **HRSD Life Cycle Event Management**, streamlining employee transitions through automation and process optimization.

ServiceNow Developer/ Administrator | Banking Company

Oct 2023 - Feb 2024

- Managed **Policy Management** under the GRC Module as a single resource, delivering high-quality results.
- Designed and **implemented workflows for policy lifecycle management**, ensuring seamless creation, approval, and periodic review of policies.
- Created **custom notifications and developed button functionalities** to enhance system functionality and improve user interaction.
- **Received recognition** from senior management and clients for project contributions.
- **Developed and tested user stories** based on client requirements.

ServiceNow Administrator | Technology Services Company

Jan 2023 - Aug 2023

- Provided **ITSM support**, efficiently handling roles and responsibilities.
- Increased **support efficiency by 50%** through process improvements.
- **Resolved cases within SLA**, consistently meeting or exceeding targets.
- Implemented and **tested bug fixes** to ensure quality.
- Delivered **excellent customer support**, improving client satisfaction.

ServiceNow Tester | Consumer Goods Company

Aug 2022 - Jan 2023

- Created and followed detailed **test cases in Jira** to verify software functionality.
- **Identified and reported bugs**, collaborating with developers for quick resolution.
- Performed **manual testing** to ensure system accuracy and reliability.
- Participated in **User Acceptance Testing (UAT)** to validate solutions.
- Delivered clear reports on testing outcomes for **continuous improvement**.
